COURSE NAME: Transactional Lawyering Skills Lab
COURSE NUMBER: Law 8601L
PROFESSOR: Downs/Luppino

ESSENTIAL PREREQUISITES: Co or Prerequisite: Business Organizations

DESIRABLE PREREQUISITES: None

COURSE BOOKS:
REQUIRED: Materials prepared by professors
RECOMMENDED:

METHOD OF GRADING & APPRAISAL OF STUDENT FOR GRADE:
Grading will be based on quality of drafting projects and other activities and upon class participation

SUMMARY DESCRIPTION OF COURSE:
The Transaction Lawyering Skills Lab will include practical application of materials generally covered in the Business Organizations course. This will include some drafting, such as shareholder buy-sell agreements, stock subscription agreements, Articles of Incorporation, Articles of Organization (LLC), partnership agreement, sub-chapter S filing, employment contract, legal opinions to third parties and/or memorandums to partners and clients, or other business documents. There may also be a negotiation exercise dealing with a business transaction. The course will meet for two hours, every other week, with each week dealing with a different project or activity

COURSE CONTENT: See above.

RELEVANCY OF COURSE FOR CAREER PURPOSES: This course is designed to provide students with practical skills related to practice in the business law area. It is intended that students learn how to perform discreet tasks that might be assigned to them in their first year or two of law practice.

RELEVANCY OF COURSE FOR MO/MULTI-STATE BAR EXAMINATION: This course should enhance the students understanding of bar tested business organizations materials learned in the Business Organizations course.
