COURSE NAME:  U.S. Environmental Protection Agency / Compliance Law Clinic

CATALOGUE NUMBER:  8782R

PROFESSOR:  William G. Eckhardt

ESSENTIAL PREREQUISITE(S):  Students must have completed three semesters of law school. Preference will be given to students who have completed Environmental Law or Administrative Law. Eligible interested students will then be screened and selected.

DESIRABLE PREREQUISITE(S):  

COURSE BOOK(S):  None

METHOD OF GRADING AND APPRAISAL OF STUDENT FOR GRADE:  Ungraded. Pass/Fail.

SUMMARY DESCRIPTION OF COURSE:  Up to four students will be assigned to work in the EPA’s National Agriculture Compliance Assistance Center (Ag Center). Under the supervision of an attorney with the Ag Center, a student will be expected to perform legal research, write memoranda, develop compliance assistance materials, respond to inquiries from the regulated community, and participate as appropriate in meetings, conferences, and training sessions with EPA, other federal agencies, trade associations, etc., and, in general, assist in the activities of the Ag Center. Students are expected to work a pre-approved schedule totaling six (6) hours a week for fourteen (14) weeks with a minimum of eighty (80) hours a semester for two academic credit hours and to attend regular conferences with their Supervising Attorney and with their Faculty Supervisor.
