86-772 - City of St. Louis v. Praprotnik

Re: 86-772 - City of St. Louis v. Praprotnik

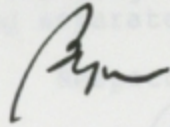

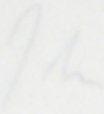

Dear Sandra,

Dear Sandra:

I agree.

Although I understand some of your concerns about the Court of Appeals' opinion in this case, I am still inclined to believe that the majority was correct. I shall therefore be writing separately.

Sincerely yours,

  
Respectfully,  

Justice O'Connor
