

Bar held by rookie officers

Suit vs city v " " 1983, excess force & wrong training

both to single inci cd b used as to warrant inference

v wrong training on use of force

Jury of est 1/2 suit vs city - & for officer as long acted in 67

E showed at arrival

no E v officer's etc force on one assa

E v R vals v Thoms - s he that it arrived etc

Dr Kribban for est it took training all among & wrong

city showed rated among best 3 in + nation

TJ instructed comm only b inferred for single inci

but yet may b suffly out v + order + justice inference

C/O + a

act plainly & clearly right

I was -?

1 A. Wrong training can b a pol. City is wrong in saying no
negative decs can constitute a pol or custom

the ^{gr} police one free mod

1 B. The instr. was error here

this despite + other E

it used + single phase

leave open + possible cd b error we = a pol

we neither knew or s he know its wrong
