

Supreme Court of the United States
Washington, D. C. 20543

CHAMBERS OF
JUSTICE W. J. BRENNAN, JR.

March 22, 1985

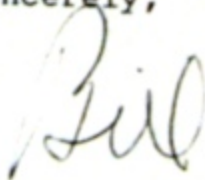

No. 83-1919

City of Oklahoma City v. Tuttle

Dear Bill:

It appears that the Court will be reaching the merits in this case, apart from whatever occurs in Criswell. Thanks for your letter of February 20 in response to mine of February 19, but I do not think that your suggestions will accommodate all of my concerns. I shall therefore file an opinion concurring in the judgment as soon as I can get around to it.

Sincerely,

Justice Rehnquist
