

Monell, 75-1914

Supreme Court of the United States

Memorandum

....., 19.....

Lewis -

I read over your  
proposed Monell memorandum  
last night. It reflects my  
original thinking in this case  
better than I could have  
expressed it. I would  
immediately and publicly agree  
with you except that I

Understand that John  
Stearns is now having second  
thoughts (you will remember  
that he too originally agreed  
with you and me), and  
I would like to learn what  
he has to say.

Should we suggest that  
this case be discussed on  
Friday?
