

**Wrongful Convictions I  
Dean Suni  
Winter 2004**

**Student Profile**

The class will be divided into three teams of four students each. Each team will be assigned to work with Wrongful Convictions II student(s) under the direction of the Director of the Midwestern Innocence Project (MIP) in investigating the case of an inmate seeking the assistance of MIP. The end product of each team's investigation will be the preparation of a Petition for Writ of Habeas Corpus or other appropriate documents suitable for filing in court. These cases have been pre-screened by MIP staff and chosen based on a combination of indicia of actual innocence and the presence of substantial legal claims.

The only purpose of this profile is to assist MIP staff in the assignment of students to the various teams. The information you provide will be divulged only to Dean Suni, Phil Gibson (Director of MIP), and, where appropriate, the students and any attorneys working with each team.

Please print the form, fill it out, and return it along with a copy of your schedule to Dean Suni by no later than our first class. Your cooperation is appreciated.
