

Wrongful Convictions I
Prof. Suni
Fall 2003

Student Profile

The class will be divided into four teams of five students each and assigned to work with an attorney in investigating the case of an inmate seeking the assistance of the Midwestern Innocence Project (MIP). The end product of each team's investigation will be the preparation of a Petition for Writ of Habeas Corpus suitable for filing in federal court. These cases will have been pre-screened by MIP staff and chosen based on a combination of indicia of actual innocence and the presence of substantial legal claims.

The only purpose of this profile is to assist MIP staff in the assignment of students to the various teams. The information you provide will be divulged only to Professor Suni, Phil Gibson (Director of MIP), and the attorneys heading each *team*.

Please print the form, fill it out, put it in an envelope marked "Profile", and return it along with a copy of your schedule to Professor Suni by no later than our first class. Your cooperation is appreciated.
