Re: No. 82-738 - Migra v. Warren City School District
Board of Education

Dear John:

82-738 Migra v. Warren City School District

Thank you for your letter of December 20. Unless others who have joined the opinion object, I shall be glad to omit the last paragraph of footnote 7 on page 9. The omission will show up on the next draft, which I may defer until the dissent is circulated.

Dear Harry:

Sincerely,

I will await Byron's separate writing.

As I indicated at Conference, I would like to conclude that a federal rule of preclusion applies, but would like to see how this writes out.

Sincerely,

Lewis

Justice Blackmun
