The Chief Justice no practice
policy or custom sup-
ported by adequate evidence
anyway, policy had
nothing to do with
the shooting. Officer
acted in good faith.

White, J. Instruction wrong
- if accurate that's
evidence of respondent's
superior ability

Marshall, J. Agree to reverse

Blackmun, J.

Reverse on instruction
deadweight training
may be a policy
but no evidence of
that here

Powell, J.

Ant

Rehnquist, J.

Instruction was wrong. Policy & inadequate training should be reviewed - it's not like police if you hiring pregnant women as in Missouri

Stevens, J.

Instructions as a whole don't limit to single, in a word
I wouldn't say it's to be read that way

O'Connor, J.

Rizzo v Goode
a precedent of error
in instruction
