CITY OF ORLANDO, FLORIDA

FOR PAID LETTER, ETC.

The Chief Justice no practice
policy or custom sup-
ported by adequate evidence
anyway, policy had
nothing to do with
the shooting. Officer
acted in good faith.

White, J. Instruction wrong
- if accurate that's
equivalent of respondent
superior ability

Marshall, J.

Agree to reverse

Blackmun, J.

Reverse on instruction
deadweight training
may be a policy
but no burden of
that here

Powell, J.

ant

Rehnquist, J.

Instruction was wrong. Policy & inadequate training should be reviewed - it's not like police if you bring precedent cases as in *Morse*

Stevens, J.

Instructions as a whole don't limit to single incident
▽ I wouldn't say it's to be read that way

O'Connor, J.

Rizzo v Goode
a precedent of error in instruction
