Re: No. 83-1919, City of Oklahoma City v. Tuttle

Dear Bill:

83-1919 City of Oklahoma v. Tuttle

My concerns about your opinion in this case, similar to those expressed by Bill Brennan in his letter of February 18, 1985, therefore, shall await his separate writing. I was not disturbed by your Part II and am advising John that I would prefer to focus on the merits in the Crimwell case rather than O&O.

Dear Bill:

There is one further detail. On page 18 you state that the officer admitted to a violation of the Police Department's Code of Ethics. Please add at the end of your opinion that I took no part in the consideration or decision of this case. Sincerely,

I question the accuracy of the statement in the O&O's opinion, for it seems to be out of line with the officer's testimony set forth on page 217 of the appendix. Thus, if the first 10 pages of your opinion are retained, I would be somewhat happier if the second and third sentences and the first sentence of the first full paragraph on page 19 were deleted.
